

Winners Split At Kinsmen Friendship Night

The first "Friendship Dinner" sponsored by the Vulcan Kinsmen Club and held at the Lodge Hall Wednesday evening, Dec. 15, proved to be most successful, with 113 men of the town and district present for a most entertaining evening.

Kinsmen president Amond Hyslip was chairman for the evening and following the delicious dinner, catered by the Reid Hill W.I., the draw for cash prizes resulted in the following lucky winners:

Ron Buehler \$15, Bob Haga \$15, John Wolfe \$15, Del McQueen \$15, Don Schmidt \$25, Elmer Wolochaty \$15, Pete Silbernagel \$15, Larry Mitchell \$15, Cleo Schmidt \$15, Don Baldwin (Clareholm) \$50, Keith Aiken \$15.

The holders of the last two tickets remaining were Russell Graham and Lawrence Richardson and they decided to split the grand prize of \$500 awarded to the holder of the last ticket drawn.

Five draws for "five of the best" were won by Vic Johnson of Barons, Charlie Andrews, John Graham, Bill Yanosik of Carman-gay and Allan McAskile.

Accident Cause Unknown

Calgary Man Killed In Plane Crash At Champion

A single-engine aircraft plummeted into a farm field 1½ miles southwest of Champion on December 28, instantly killing its pilot, Morley Sanford Wilson, 37, a Calgary oil man.

Mr. Wilson, president of Wilson Mud Service Ltd., Calgary, had flown a friend to Lethbridge and was returning alone to Calgary when the accident occurred and the plane plunged into the ground near the farm home of Mr. and Mrs. Ken Alder. An eyewitness, Keith Alder, 19, said that the plane appeared to be in a spin as it came down and when he reached the crash scene Mr. Wilson's body was about 100 feet away from the wreckage of the Maule Rocket aircraft.

The Vulcan detachment RCMP were called to the crash scene and the following day Department of Transport officials were in the field picking up the debris in a 300-foot area in the start of an investigation to determine the cause of the accident.

Break-in At Giles Electric

About \$150 worth of small appliances and a few dollars in loose change was the take of thieves who broke into Giles Electric Shop the night of December 18.

Entry was made by breaking down the back door.

Valuable but larger items such as television and stereo sets were not taken.

Vulcan Town Police are investigating.

COUNTY COUNCIL

The regular December 1965 meeting of the Council of the County of Vulcan No. 2 was held in the council room, County Building, Vulcan on Friday, Dec. 17.

Reeve Jack Deitz presided and Councillors F. E. Hubka, A. W. Ulrich, Ivan Haga, R. S. Irwin, Earl Erickson, A. McAllister, J. M. McKay, Marshall Willard, F. N. Thurber and D. A. McNiven were present. Also present at the meeting was D. D. McQueen, secretary-treasurer.

The secretary-treasurer read the financial statement for the month ending November 30, 1965 and explained the figures in respect to the receipts and payments during the month and advised the council that there would be a substantial cash balance in the bank at the end of the year. It was moved and carried that the financial statement be passed.

W. Lobay of the Department of Agriculture, Edmonton, and Lloyd Rasmussen, Supervisor of District Agriculturalists and Service Board work were present at the meeting and discussed with the council the formation of the new Agricultural Committee which was mandatory on January 3, 1966. Mr. Lobay presented his chart to show the proposed operation of the Agricultural Committee and stressed the fact that the new Committee would be now in the same category as the other committees of the council such as the Municipal or School Committee. The Agricultural Committee will be an administrative committee rather than a recommending body, as the Agricultural Service Board was in the past. The councillors were very interested in Mr. Lobay's talk and asked a number of questions regarding the new set-up which, it was felt, would be a big improvement over the other plan. Another feature of the new committee would be the formation of advisory boards if it was thought advisable. These advisory boards would meet occasionally, maybe once or twice a year, and discuss agricultural problems with a view of presenting recommendations for action to the Agricultural Committee of the county. Reeve Jack Deitz, thanked Mr. Lobay and Mr. Rasmussen for their attendance and also the Service Board officials of the County and O. M. Roe and Jack Ward who were present to listen to the discussion.

Mr. McKay gave the report of the meeting to allow Mr. Eddy, superintendent, to proceed with other duties which were pressing. It was reported that a teacher for the Champion Grade One was almost a certainty as an application had been received from Mrs. Marjorie Barton who had taught there before and it was hoped that she would accept the position. Mr. McKay also reported in respect to the matter of approval for a project for the Industrial Arts shop to teach Woodworking 30.

It was moved and carried that the County of Vulcan No. 2 agrees to accept the tender of Jason Construction Co. Ltd., 903 48th Ave. S.E., Calgary opened by the School Committee on Monday, Dec. 13, 1965, for the construction of an addition to the Brant School according to plans and specifications drawn by J. Stevenson and Associates, Architects, for the sum of \$120,690 and further, that the County of Vulcan No. 2 will, subject to the permission and approval of the Minister of Education, Province of Alberta, enter into a contract with the said Jason Construction Co. Ltd. under the terms above recited, during the first week of April, 1966, or sooner if the Province of Alberta's new regulation to increase school construction grants from \$14.00 to \$16.00 per square foot is made effective prior to April 1, 1966.

It was moved and carried that the County of Vulcan No. 2 agrees to accept the tender of Jason Construction Co. It was moved and carried that the County of Vulcan No. 2 agrees to accept the tender of McLean Service and Construction Ltd., P.O. Box 111, Station A, Calgary, Alberta, opened by the School Committee on Monday, Dec. 13, 1965, for the construction of an addition to the Arrowwood School according to the plans and specifications drawn by J. Stevenson and Associates, Architects, for the sum of \$172,940 less an allowance of \$7,700 for the shower area which has been deleted from the plans and specifications, leaving a net contract amount of \$165,240 and further that the County of Vulcan No. 2 will, subject to the permission and approval of the Minister of Education, Province of Alberta, enter into a contract with the said McLean Service and Construction Ltd. under the terms above recited during the first week of April, 1966, or sooner if the Province of Alberta's new regulation to increase school construction grants from \$14.00 to \$16.00 per square foot is made effective prior to April 1, 1966.

The secretary read a letter from Ed Smith, proprietor of the B.A. Service Station situated on Section 4-17-24-4 adjacent to Highway No. 23 asking that his application to erect motels be approved. Authority was given to the secretary-treasurer to sign the letter requesting permission on behalf of the county. Mr. Deitz, Reeve, produced a copy of the inspector's report and also a letter from the Chief Municipal Inspector, dated November 10, advising that the report be read to the council and drawing attention to the fact that it must be also presented at the next annual meeting. The inspector's report was read and the contents noted by the councillors. There was nothing in the report of a critical nature and it was stated that the county was in good financial condition and that the business of the office was conducted in the usual efficient manner by the secretary and the staff. It was moved and carried that the inspector's report be received and filed, that the Reeve be authorized to acknowledge the report to the Chief Municipal Inspector and the instructions regarding the presentation to the annual meeting be complied with.

FARMING IS A BUSINESS!

Farming is a business! Farm operators and their wives, in addition to maintaining their knowledge of new techniques of production and marketing, must be book-keepers, business analysts and effective decision-makers if they expect their management to pay off in profits.

Many farmers in Alberta have recognized the necessity of improving their management and have become participants in the voluntary co-operative Farm Business Analysis conducted by District Agriculturists and the Farm Economics Branch. This analysis, coupled with follow-up advisory assistance to each participant, has resulted in significant improvements in farm profits on these units. In many instances, individual farmers measure the contribution of the program in thousands of dollars of increased income.

Farmer participants in analysis groups receive a report which is the result of careful scrutiny of each phase of the individual farm business operation. Through this analysis the farmer is able to locate the weakest and the strongest points in the management of his business and thus forge stronger links in the chain which leads to increased farm profits. Although the records of the individual farmer are held in strict confidence, the information from the participants is aggregated, summarized and analyzed. Thus, operators of various types and sizes of farms are able to compare their own farm business with other similar farms in the area. This local yardstick system has proven very helpful to farmers who find it necessary to adjust their business to increase profits.

Although Farm Business Associations started only seven years ago, there are now about 450 farmers in 27 District Agriculturists' areas of Alberta. This figure includes 11 D.A. areas which were added in 1964. In the County of Vulcan, four Business Analysis reports have been completed. These Analysis Reports have been compiled through the co-operation of farmers in the County of Vulcan and a few farmers from the Strathmore area. This past year, 30 farm operators participated in the 1964 Vulcan-Strathmore Farm Business Report.

The Analysis of Operators Labor Earnings for the year 1964 showed a range from \$1,998 to \$15,936. It must be remembered, however, that the size of the Farm Businesses varied considerably in size with Operators Capital Investment ranging from \$81,970 to \$211,172. The above figures are just a small sample of the returns received by each individual farmer in the Analysis.

To carry out the Business Analysis Program, meetings will be held for those who have been participating and any other interested farmers to discuss the Analysis Program. This next several weeks, meetings will be held to assist all interested farmers to participate in the Analysis program for the year 1966. Meetings will be held at:

Arrowwood— January 10, 1:30 p.m. — banquet room, Arrowwood Community Hall.
Lomond— January 10, 7:30 p.m. — Lomond High School.
Vulcan— January 11, 7:30 p.m. — council room, County Office.

EMPLOYERS

Canada Pension Plan Deductions Begin Jan. 1st 1966

Employers must deduct contributions from employees who are aged 18 to 70 and paid at a rate equivalent to more than \$600 a year.

Contributions of 1.8% are payable on earnings of between \$600 and \$5,000 a year as set out in The Canada Pension Plan Contribution Tables.

Employers must match contributions deducted from their employees and remit the combined amount. Instructions for remitting are contained in The Canada Pension Plan Contribution Tables, sent to employers in November. If you did not receive these Tables, or if you have any enquiries regarding the Plan, contact your nearest District Taxation Office.

Attention

Owners and Operators Of Mobile Equipment

Effective January 1, 1966, all mobile equipment coming within the definitions quoted below is again subject to licensing, if such equipment is operated anywhere within the Province except in Cities or National Parks.

Inspectors are constantly in the field checking all such mobile equipment. Practice of issuing warning tickets will be discontinued and any violation of the act will be concluded in court proceedings. Provision is made for the imposition of a fine and possible impoundment of equipment where a violation of the Act occurs.

The following definitions are taken from The Mobile Equipment Licensing Act:

- (d) "MOBILE EQUIPMENT"
- (I) means machinery or equipment capable of being moved to its place of use under its own power or by being towed, pulled or carried and not intended to be affixed to land, and
 - (II) includes equipment used for the purposes of seismicographic exploration and, without restricting the generality of the foregoing, includes
 - (a) seismicographic recording equipment and all appurtenances thereto,
 - (b) conductor cables and cable reels, geophones, amplifiers and cameras,
 - (c) explosive and detonating equipment,
 - (d) drilling units and all the component parts and appurtenances thereof, and
 - (e) water tanks and pumping equipment, but
 - (III) does not include
 - (a) vehicles licensed under The Vehicles and Highway Traffic Act, or The Public Service Vehicles Act, exclusive of mounted equipment on such vehicles, and
 - (b) equipment, other than vehicle mounted equipment, used to drill a gas or oil well;
 - (e) "municipality" means a town, village, municipal district, county, improvement district, special area, metis improvement district or forest reserve.
 - (f) "owner" includes a person renting mobile equipment or having the exclusive use thereof under a rental agreement or otherwise;

NOTE: Mobile Equipment having an original list price of less than \$2,000 does not require a license under this Act.

A copy of The Mobile Equipment Licensing Act may be obtained upon payment of ten cents from the Office of the Queen's Printer, 1024 104th Street, Edmonton, Alberta. Address all inquiries regarding MOBILE EQUIPMENT LICENSES to Supervisor of Mobile Equipment Licensing, Department of Municipal Affairs, 10363 108th Street, Edmonton, Alberta. Licenses are also available at Department of Municipal Affairs Offices at Medicine Hat, Lethbridge, Calgary, Rocky Mountain House, Red Deer, Edson, Evansburg, Bonnyville, Lac La Biche, Westlock, High Prairie, Peace River, Spirit River, Grande Prairie, Drumheller and the Special Areas Offices at Hanna, Oyen and Consort.

REPORT FROM EDMONTON

by J. WALLY STRANG

Last week this writer went on record predicting the 15 cent beer glass... this week the government approved same... giving hotel operators a well deserved and long awaited small increase. But for some unknown reason the Cabinet passed by the legislation which would have allowed the hotel beer parlours to stay open throughout the supper hours. The operators of course feel that to be forced closed is discrimination, because it forces the beer drinker to go into the cocktail lounges or government liquor outlets... when you think about it... they could have a point.

Hankie Pankie or Something

A number of professional firms are complaining that an architectural engineering firm which employs the sons of two Cabinet Ministers is about to be awarded the juicy AGT Building contract. A few opposition characters apparently attended a Christmas

party put on by the firm... at which only government representatives and employees of the engineering firm were supposed to attend... but someone goofed. The opposition attended and the word is out... we shall wait and see.

Edmonton Gossip

The word is also out that vacationing ex-mayor William Hawrelak who was ousted from office on a technicality last year... will run for office when the civic election pot starts to boil next October. The wagering at this time is that Mr. Hawrelak is a shoo-in... all he has to do is say "I'll

COMMERCIAL PRINTING

Phone 485-2036
THE ADVOCATE VULCAN

run." Anyone who has watched the activities around City Hall during Mr. Hawrelak's absence can only agree... that someone... with something on the ball must once again get the ball rolling.

Government Chatter

Word around the buildings is that Mr. Manning is expected to make a few cabinet changes before the session opens in February. Rumours are that the Provincial Secretary, Hon. Amrose Hollowach and the Minister of Municipal Affairs, Alf Hooke are on the block... but this is nothing new... these same stories start every spring and peter out by the middle of the session. From my little perch... I don't think much of the yarns... but don't be surprised to see the Premier give up his very important AG Portfolio... pure speculation... but it could happen... HAPPY NEW YEAR!

authorize certain Charitable Grants in the year 1965, was introduced and passed. Grants approved were: Salvation Army \$400, Canadian National Institute for the Blind \$150, Providence Creche \$100, Vulcan Swimming Pool \$500, Canadian Forestry Association \$25, Vulcan Rest Room \$300, Champion Rest Room \$100.

An application made by Allan Fath to purchase the West half of 16-15-24-4 from J. H. Weiss through the Alberta Farm Purchase Board was read. It was moved and carried that Allan Fath's application be recommended to the Alberta Farm Purchase Board.

It was moved by Mr. McKay and carried that the assessor be instructed to make assessments on the following properties which were inadvertently omitted:

1. Alberta Wheat Pool—Elevator at Travers.

2. Canrude Gas and Oil Co.—Wellhead on LSD 14-17-25-4.

3. Improvements on Block A Plan 3729 in Section 32 and 33-21-25-4 owned by C. R. Curtis, Arrowwood.

A letter from the Secretary of the Town of Bassano asking that the County of Vulcan make available a portion of its Centennial Grant to the Town of Bassano was read and no action taken by the Council to accede to the request.

It was regularly moved and carried that the portion of road diversion in N.W. 9-17-19-4 being no longer required, be cancelled.

The following requests from the Farm Electric Services Ltd. in respect to Rural Electrification Associations were dealt with as follows:

1. Brant R.E.A. application to extend the line from the Conne-

mar road North for two miles and a line along the S.W. 3-17-26-4 for half a mile be approved.

2. The application in respect to the Vulcan R.E.A. to build a line West of S.W. 27-15-25-4 be approved on the condition that the line be set back 15 feet from the road allowance.

3. In respect to the Vulcan Rural Electrification on the line East from Vulcan along the North side of District Highway 232W be approved on the condition that the line be set back to the new fence line.

Instructions were given to the secretary-treasurer to make sufficient copies of material which was coming to the office in respect to the Study Group which is studying the inventory and recommendations respecting the secondary highways.

Mr. Irwin gave a short report of the Service Board activities for the past month.

SCHOOL COMMITTEE

The regular December 1965 meeting of the School Committee of the County of Vulcan No. 2 was held in the Council Room, County Building, Vulcan, on Monday, December 13.

The meeting convened at 10:00 o'clock in the forenoon. Chairman, J. M. McKay presided and Committee Members F. N. Thurber, Earl Erickson, A. McAlister, George Moses, Ray Wellman and E. Burris were present. Also present at the meeting were W. P. Eddy, superintendent of schools, and D. D. McQueen, secretary-treasurer.

Mr. Eddy, superintendent, gave his report and stated that he had visited a number of classrooms in the county schools since the last meeting and was pleased with the

type of work which is being carried on by the teachers generally. He had no specific problems to present at this time. Mr. Eddy spoke of the situation at Arrowwood, where there are a number of Indian students especially, who are very poor readers and wondered if there was any likelihood of having this corrected. He stated that Mr. Binning, principal, would be attending the meeting later on in the day and this matter could be discussed. Mr. Eddy also spoke of an application for special speech therapy which was presented to him and the feeling of the committee was that the County of Vulcan could not offer special speech therapy at this time.

David Mitchell, of the Vulcan Chamber of Commerce, interviewed the school committee in respect to a request to obtain the use of a classroom on Thursday nights for 15 nights commencing in January, 1966, for the purpose of teaching the Chamber of Commerce sponsored bookkeeping classes. He explained that the project was sponsored by the Federal government Department of Labour and was being offered to small businessmen and farmers in the community who wish to have a more practical knowledge of bookkeeping. A qualified instructor in the person of a chartered accountant would be conducting the classes. It was moved and carried that permission be given to the Chamber of Commerce to hold bookkeeping classes at the County Central High School for one night a week for 15 weeks, and that a charge of \$5.00 per night be made; also that the janitor on duty at the school during these classes be given the sum of \$3.00 per night.

A letter from the Lomond Home and School Association in respect

to the condition in classrooms at Lomond where the sunlight during the heat of the day made the classrooms unbearably hot and also presented a lighting problem making a glare on the blackboards, etc., was read. The School Committee took this matter under advisement.

Don Green, principal of the Hazel Cameron Elementary School, and A. F. Paikla, principal of the County Central High School, interviewed the committee in respect to a classification of the definition of "extra-curricular activities" as applied to the schools. After discussing this matter for some time, the committee felt that it should not define this matter at this time.

The committee discussed with Mr. Paikla the matter of offering a course of Woodworking 30 and an application by the instructor, Mr. Rempel, to obtain authority for a project to build a dwelling house. Mr. Rempel had submitted a plan and the cost of material which would run in the neighborhood of \$6,000, and in all probability the completed building would cost \$1,000 to \$2,000 more. Members of the committee were reluctant to consider a project of this nature as it was felt that there was no guarantee that the project would be completed before the end of the present school term. The members of the committee were of the opinion that a small project could be approved — something about the size of a 12x16 building with a cottage roof and finished inside as a bunk-house with two rooms. Total estimated cost of the material would be in the neighbourhood of \$1,000.

J. J. O'Reilly was present at the meeting and discussed with the committee various matters respecting school repairing and building.

At 2:00 o'clock, Morris Kerr, of J. Stevenson and Associates, Architects, Calgary, presented the tenders on the Brant and Arrowwood School Additions. The members of the committee were generally disappointed that the bids were in excess of the \$14.00 per square foot and even the proposed \$16.00 per square foot which the Department of Education has announced would be in effect on April 1, 1966. Information was given to the committee that in order to qualify for the increased grant from \$14.00 to \$16.00 per square foot it was necessary to sign the contract with the builder not earlier than April, 1966, unless some legislation or an order in council is adopted by the government to permit contracts to be entered into sooner. It was felt that if representations were made to the Minister of Education by the Alberta School Trustees Association, there was a possibility that the time would be set ahead from April 1 to sometime in the months of January or February, but there was no assurance of this at the present time.

It was moved and carried that the space which was provided for showers in the Arrowwood School be deleted. It was noted that this would save the sum of \$7,700 in the original bid.

It was moved and carried that the committee recommend to the county council that an effort be made to have Jason Construction Company, the low tenderer on the Brant School Addition, agree to enter into a contract on April 1, or sooner if the Department of Education permits a sooner date than April 1, and still allow the \$16 per square foot, for the Brant School Addition at the price of \$120,000; and that McLean Service and Construction Co. Ltd. enter into a similar contract for the Arrowwood School Addition for the sum of \$165,240.

Editor's Note: Recent information received is to the effect that the provincial government has advanced the effective date of the legislation to January 1, 1966. This means that the contract will be let as soon as possible and work will commence in due course.

The secretary-treasurer read the terms of an agreement proposed by the Department of Indian Affairs for the amount of the grant toward the construction and equipping of the Arrowwood School, in the sum of \$100,922. It was noted that the agreement specified that the county would accept 60 Indian students at the beginning of each school term. The members of the committee were of the opinion that this should be changed to ensure that the county would not accept more Indian students than one for two non-Indian students attending any county school. It was moved and carried that the committee recommend to the council that the agreement with the department be entered into.

Duane Binning, principal of the Arrowwood School, was present and discussed the matter of obtaining a special teacher for the slow readers in this school, particularly the Indian students. Information was given to the committee that there were 11 such students, eight of whom were Indians. Mr. Binning requested that a specialist be engaged to see if this situation could be remedied. The general opinion of the members of the

committee was that no special teacher be engaged as this was a matter for special consideration and it was felt that the committee should not set a precedent in policy of engaging a special teacher for subjects which were giving the ordinary teachers in the schools some difficulty. It was agreed that the county would assist in the payment of a special teacher provided by the Department of Indian Affairs if such were done to bring the slow readers up to date.

The matter of the parking space at the Central High School was discussed, and it was moved and carried that the county institute a policy of renting parking space at Central High School for a sum of \$15 per school year to include electrical service and that the amount due for the remainder of the 1965-1966 school year be \$10 effective January 1, 1966.

It was moved and carried that the regulation in the Handbook prohibiting students in the elementary grades taking rented textbooks home be rescinded.

An application to coach a ladies basketball team in the Hazel Cameron Elementary School gym was not approved owing to the fact that it is against the committee's policy to provide the auditorium for this sort of activity.

The secretary drew attention of committee members to the Centennial Tree Planting Program and it was decided that the members of the committee would bring in a report in respect to their schools at the next meeting.

It was moved and carried that Mrs. Marjorie Barton be offered the position of grade one teacher at Champion for the balance of the school term.

Mr. Thurber read a letter to the committee from Kenneth Scales who had won the Governor General's Award for Grade Nine, thanking the county for the award of the sum of \$25.

At the conclusion of the meeting, Mr. McKay advised the members of the committee that this meeting would likely be his last School Committee meeting as it was his intention to resign from the council on December 17, 1965. Mr. McKay expressed his thanks to the members of the committee for their co-operation during the years. He has been chairman since the formation of the county in 1951 and also expressed his pleasure in working with the members of the School Committee in the interest of education in the county. The County of Vulcan had been pioneers in the "County Idea" which afforded an opportunity to improve educational facilities in the Vulcan area. He wished the school committee much success in the future and stated that he would treasure the memories of his associations with them and was glad of the opportunity he had had to be of service. Each member of the committee expressed his regrets at Mr. McKay's leaving the county and expressed their wish that he would have much happiness and success in his new position.

MUNICIPAL COMMITTEE

The regular December meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Wednesday, Dec. 15, 1965. Committee Chairman Ivan Haga presided and Committee Members M. Willard, A. W. Ulrich, F. E. Hubka and D. A. McNiven were present. Also present at the meeting were J. J. O'Reilly, maintenance foreman, Martin Dersch, construction foreman, R. Brown, shop foreman and D. D. McQueen, secretary-treasurer.

Some discussion was held over the Saskatchewan Oil Treatment hardsurfacing of roads and the secretary was instructed to write to Tom Gentle, 1150 Rowe Street, Fourth Floor, Regina, Saskatchewan and ask for specifications regarding this road treatment.

The secretary-treasurer reported that application for the 1965 Ordinary Road Grant and the 1965 Contingency Grant for paving had been prepared and forwarded to the department for approval. The necessary approval had been obtained and the grants put in line for payment. It was expected that payment would be received before the 31st of December.

Some discussion was held over the matter of Mr. Taylor's announcement in Edmonton regarding the paving of roads to provincial parks. It was noted that Mr. Taylor had stated they were considering a five-year plan to pave roads to 18 of the provincial parks in the province. The members of the committee noted that there was one road that should be considered and that was the road from No. 23 Highway just north of Champion east to Little Bow Provincial Park. It was moved and carried that the secretary-treasurer be instructed to write a letter to Mr. Taylor asking that this road be included among the first roads to be paved.

It was moved and carried that the Repair Shop observe a holiday between Christmas and New Year's unless called upon for special duties.

NEW FARM RECORD LEDGER**AVAILABLE NOW!**

A farm record system specifically designed for grain-livestock farms of this area. Designed by a Chartered Accountant to quickly give all information necessary for income tax purposes and at the same time maintain an easily-kept yet clear and concise book-keeping record of your farm operations.

Puts all your farm records— receipts, expenses and schedule of changes in buildings, machinery and equipment — in one neat ledger. The hard-wearing, looseleaf binder will last a lifetime and the record sheets are printed on heavy ledger paper.

Refill sheets will always be available, because they are printed by and in stock at The Vulcan Advocate.

This farm record system is priced so low and will prove so convenient you can't really afford to be without it.

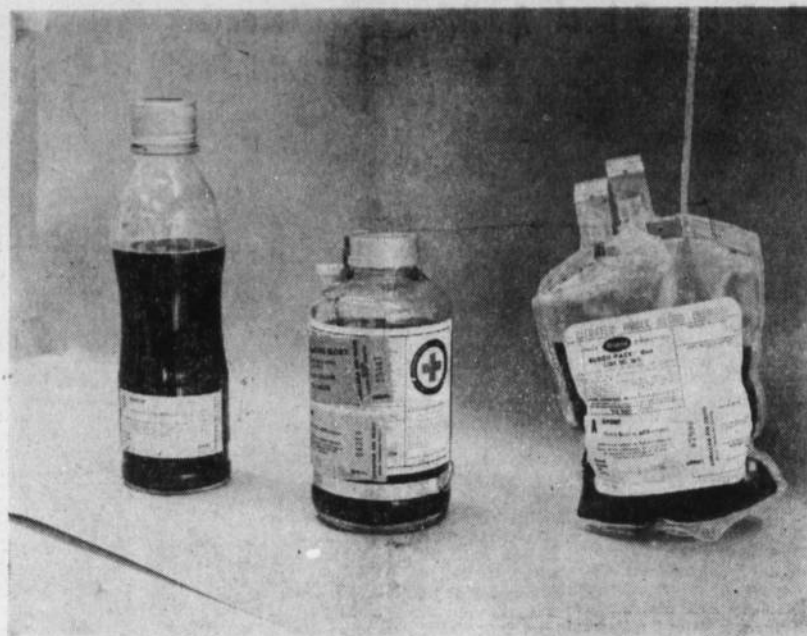

COMPLETE RECORD LEDGER 5.50
 (Includes heavy, three-ring binder, complete instructions and enough record sheets for one year's average operation).

REFILL SHEETS 2 for .25
 (Average year's supply of 10 "Expenses" sheets and 4 "Receipts" sheets costs only \$1.75).

BRANT

Over 150 friends and relatives from Calgary, Blackie, Herrington, and Brant attended the wedding of Mr. and Mrs. Walter Wilderman at the Brant Hall on Friday, Dec. 10. Friends would like to take this opportunity to welcome Mrs. Wilderman to the Brant district and extend their very best wishes to them.

Misses Fay Reiling and Shirley Selby, and Earl and Merle Westergreen of Medicine Hat spent Christmas at the home of Mr. and Mrs. E. Westergreen.

A large crowd of parents and friends attended the Brant United Church Sunday School Christmas program.

The Brant school presented its Christmas concert at the school on the afternoon of December 22. It was very much enjoyed and the parents appreciated the efforts of both the teachers and pupils in making it such a success.

The Hi-C group of the Brant United Church put on the Christmas Eve service. Those taking part were Ronnie Hunter, Judy Green, Albert Connors and Doreen Connors.

Visitors at the Gallagher home for the Christmas holiday were Maureen Gallagher of Calgary and T. Boucher of Red Deer. The family were joined at Christmas dinner by Mrs. L. Gingras and family. Ed. Gallagher, student of Calgary Institute of Technology also spent the holidays at his home.

Anne Marie Gallagher visited for two days at the home of Merle Wilkinson of Crossfield.

Miss Nellie Fermill spent the holiday season with friends at Vauxhall.

Miss Leslie Christofferson was a patient in the High River hospital during the holiday week. Friends wish her a speedy recovery. Very best wishes are extended too to Paulette Elluk who was also hospitalized for a tonsilectomy.

Eva and John Prater were home for Christmas.

Sergeant and Mrs. Ken Horness and girls of Edmonton spent a few days at Christmas time with Ar-

lene's sister and family, Mrs. Joe Edgerton at Blackie. Then Arlene, Lois and Betty were guests at the home of Mr. and Mrs. Bob Edgerton at Ensign while Shirley Horness stayed on at the home of her cousins, Mr. and Mrs. Lorne McIntosh. Sergeant Horness has returned to Edmonton where he is taking further training with the RCAF.

Wallace Prater and Blaine Knapp were at home from the University of Alberta, Calgary, for their Christmas holidays.

GOLDEN ANNIVERSARY

Mr. and Mrs. Walter Read of Nanton, parents of Mrs. Ross Kennedy celebrated their Golden Wedding Anniversary on November 17. For the occasion they held open house in the club room of the Nanton Community Centre from 2 to 5 p.m.

The bride and groom of 50 years ago met their friends and neighbors at the door where 200 signed the guest book. Mrs. Read wore a beautiful corsage of talisman roses while Mr. Read had a matching rose bud in his lapel.

Their daughter and daughter-in-law, Mrs. Ross Kennedy and Mrs. Harvey Read presided at the table which was centered by an attractive arrangement of mums and roses combined with tapers. A three-tiered anniversary cake graced the head table flanked by candies and bouquets of flowers given the honored couple. Members of the Golden Star Rebekah Lodge were in charge of the afternoon.

Congratulatory messages and telegrams were received from relatives and government dignitaries as is usual on such occasions.

Those attending from out of town included some from Calgary, Edmonton and Santa Anna, Calif.

At an earlier date Mr. and Mrs. Ross Kennedy attended the Nanton Rock and Mineral Society annual banquet at which the senior members, Mr. and Mrs. Read, were honored for their Golden Anniversary.

In a 20-mile race, a man would win over a horse because of his endurance.

"THIS BUSINESS OF FARMING"

Again this year, the TV short course This Business of Farming will be shown on all CBC and CBC affiliate stations in Alberta, 10:30-11:30 a.m., January 10 to 14 inclusive. From 11:30-12:00 a.m. there will be local follow-up program on the Lethbridge Channel CJLH involving the extension staff and farm people in Southern Alberta.

Monday's Program: Co-ordinated by the Alberta Department of Agriculture and deals with Farmstead Planning and Beautification. It involves people who many of you are familiar with: Duncan Hargrave, Superintendent of the Brooks Horticultural Station; Les Reid, Senior Extension Engineer; Dianne Hammer, Home Design Specialist; Peter McCallis, Superintendent of Horticulture.

Tuesday's Program: will be de-

voted to wintering the beef herd. It is being handled by the Saskatchewan Department of Agriculture.

Wednesday's Program: is co-ordinated by the Manitoba Department of Agriculture and features the small farmer and opportunities that are open to him for increasing his income.

Thursday and Friday's Programs: have been done jointly by the three prairie Farm Economics Branches. On Thursday, they concentrate on the selection of enterprises which offer the greatest stability. On Friday, they deal with business organization including partnership, leases, minimizing risks, estate planning and wills.

Pamphlets containing a more detailed outline are available from all District Agriculture offices and Summary booklets will also be available.

BLACKIE

Thirteen CGIT girls and their leaders Mrs. Harold McDonald and Mrs. Chas. Sutor gathered at different homes in town Dec. 23 to sing carols. Following the caroling, the girls gathered in the church basement for lunch and a gift exchange.

Santa Claus made his annual visit to Blackie on December 24. Due to adverse weather conditions Santa visited the children in the new hall. Santa with the assistance of the Chamber of Commerce and Blackie business men handed out around 200 bags of candy to the excited youngsters. The Chamber of Commerce Rink committee sponsored the draw of a three layer Christmas cake. The bottom layer was won by Allan Stier, the middle layer by Ed Johnston and the top layer by Ted Percival.

Congratulations are extended to Mrs. Emily Brawnsworth of High River who celebrated her 88th birthday.

Sympathy is extended to the family of Bill Richardson who passed away suddenly in High River.

Christmas Day guests at the home of Mr. and Mrs. Willis Laycraft were Mr. and Mrs. Jim Laycraft and family of Claresholm.

Mrs. H. Green of Calgary has been visiting with her daughter Mrs. Richard Percival and family.

JOHN DEERE DAY Power Train '66

JOHN DEERE DAY

All aboard for John Deere Day

Wednesday, Jan. 19th

1:30 P.M.

AT THE VULCAN THEATRE

"Power Train '66— What's New in the Long Green Line" is the John Deere theme, says JESSE FARM EQUIPMENT, and on John Deere Day you'll see a fast-moving film highlighting new equipment. The 1966 additions to the Long Green Line were dramatically filmed aboard a 3/4-mile, 48-car train and at work in the field. It's an entertaining and informative way to introduce you to four new tractor models, new tillage equipment, new planters, new cultivators, new forage tools, new harvesting equipment and other modern, new tools.

All farmers, their families and other people in this area are welcome, says JESSE FARM EQUIPMENT. Coffee and doughnuts are free and we believe you'll enjoy the exciting program. There's something of interest for each and every farmer in the Long Green Line from John Deere for 1966.

Newlyweds Now Residing At Vulcan

A pretty wedding was solemnized at St. Michael and All Angels Anglican Church, Strathmore, when Barbara Jean, second daughter of Mr. and Mrs. Marcus Scott of Mossleigh, exchanged vows with Keith Mervin Marsh, second son of Mr. and Mrs. Albert Marsh of Vulcan.

Given in marriage by her father the bride wore a lovely floor length gown of white satin and she carried her white Bible adorned with two native orchids and red rose buds. Her only jewelry was a small jewelled cross which had been worn by her great grandmother.

The Matron of Honor and sister of the bride, Mavis Gillanders, junior bridesmaid, Kathleen Gillanders, niece of the bride, and bridesmaids Cheryl Gooch and Lynell Fulton wore identical floor length gowns of turquoise peau de soie and carried bouquets of white carnations.

The groom was attended by his brother Duncan Grant. Ushers were Larry Marsh, Gregory Scott and Robert Marsh.

For her daughter's wedding Mrs. Scott chose a two-piece, pink silk dress with pink and white accessories and a corsage of red roses. The groom's mother chose a beige dress with green accessories and a corsage of yellow roses.

During the signing of the register Amos Neufelt, cousin of the groom, sang "Oh Perfect Love."

Following the ceremony a reception was held in the Legion hall for 75 guests.

Telegrams from Vancouver, Dawson Creek and New Zealand were read.

ALBERTA JUNIOR CITIZEN OF THE YEAR BULLETIN: YOUNG BASHAW SINGER HONORED

Theresa Becher is a beautifully natural lyric soprano. She has proved herself a worthy Junior Citizen of the Year by unselfishly giving her talent to her community. She has performed for the enjoyment of others at Christmas Festivals, Rotary Club functions, variety concerts, school activities, weddings and wedding anniversaries.

At sixteen, Theresa passed two musical examinations with honors. She pays for her own singing lessons by working after school and on Saturdays at a local bakery.

The adjudicator in the Provincial Singing Finals stated,

"Theresa is an artist. Her high notes are ravishing". She has brought great joy and recognition to her community by her dedication to her art.

We congratulate Theresa. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. Our special thanks to W. R. Newsom, Editor of the Bashaw Star and to Theresa's nominator, Mrs. J. G. Pearson of Bashaw.
